CALLED TO THE SECOND CONTRACT OF THE SECOND C

The real whole wheat cracker not made of coarse, uncooked flour, but made of the whole wheat grain, cooked in steam, drawn into filmy shreds and baked in electric ovens. It is more easily digested than ordinary crackers. The crisp, tasty shreds of flavory, baked whole wheat encourages thorough chewing, and that means healthy gums, sound teeth and good digestion. Delicious with butter or soft cheese. Tastes better when toasted in the oven.

REPRISAL SOLD FOR NICKEL

NEW YORK.—The story of a thoroughbred that was sold for a nickel at Empire City track during the present racing meet was told today.

Beprisal came out of one of the traces so lame that his owner, Frank Kelly, a veteran turiman, was in a quandary as to how to dispose of the animal.

"Why don't you sell him?" asked Tommy Mara, noticing the condition of the horse.

"I would if I could find somebody that would part with five cents," said Kelly.

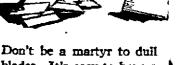

"You've sold a horse," answered Mara, And gave Kelly

"You've sold a horse," answered Mara. And gave Kelly a shiny buffale nickel and led the animal away.

Beprisal will go into the records as the cheapest horse that has been sold since Billy Lakeland sold Maximo Gomez to Bill Clancy for a clay pipe.
